**CITY OF BECKER POLICE DEPARTMENT**  
**BECKER, MINNESOTA**

**AGREED-UPON PROCEDURES**

**JULY 9, 2019**

## **Description of the Office of the State Auditor**

The mission of the Office of the State Auditor is to oversee local government finances for Minnesota taxpayers by helping to ensure financial integrity and accountability in local governmental financial activities.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 100 financial and compliance audits per year and has oversight responsibilities for over 3,300 local units of government throughout the state. The office currently maintains five divisions:

**Audit Practice** – conducts financial and legal compliance audits of local governments;

**Government Information** – collects and analyzes financial information for cities, towns, counties, and special districts;

**Legal/Special Investigations** – provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;

**Pension** – monitors investment, financial, and actuarial reporting for approximately 600 public pension funds; and

**Tax Increment Financing** – promotes compliance and accountability in local governments' use of tax increment financing through financial and compliance audits.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employees Retirement Association Board, Minnesota Housing Finance Agency, and the Rural Finance Authority Board.

## INDEPENDENT AUDITOR'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Brent Baloun, Chief of Police  
Becker Police Department  
Greg Pruszinske, City Administrator  
City of Becker  
12060 Sherburne Avenue  
Becker, Minnesota 55308

We have performed the procedures enumerated below, which were agreed to by the Police Department of the City of Becker, Minnesota, to confirm the Becker Police Department's compliance with Minn. Stat. §§ 13.825 and 626.8473 regarding Body Worn Cameras (BWCs). Specifically, the agreed-upon procedures used herein were designed to determine whether data currently in the Department's records are classified properly; how the data are used; whether data are being destroyed as required by Minn. Stat. § 13.825; and to determine whether there is compliance with Minn. Stat. § 13.825, subs. 7 and 8. The Becker Police Department's management is responsible for the Department's compliance with Minn. Stat. §§ 13.825 and 626.8473 regarding BWCs. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Becker Police Department. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

### 1. Procedure

Determine that a written policy governing BWC use that is in accordance with Minn. Stat. § 626.8473 is maintained.

### Findings

We obtained a copy of the Becker Police Department's Body Worn Cameras policy and compared it to the requirements of Minn. Stat. § 626.8473. The requirements of this statute are reflected in the Department's BWC policy.

Minnesota Statutes, section 626.8473, subdivision 3(a), requires a local law enforcement agency to post its written portable recording system policy on the agency's website. The Becker Police Department's BWC policy posted on its webpage as of the date of the onsite procedures, June 10, 2019, is the September 8, 2017, draft policy which has been superseded.

2. Procedure

Determine that access and sharing of the data collected by BWCs is in accordance with statutes.

Findings

The Becker Police Department uses Axon's Evidence.com system, which is a cloud-based digital evidence system for BWC data storage, management, review, and sharing. A report was run on June 4, 2019, from Evidence.com for all of the BWC data collected by the Department between October 9, 2017, and June 4, 2019. A sample of 25 videos was haphazardly selected and compared with the Audit Trail in Evidence.com to confirm that data was accessed only for a legitimate law enforcement purpose and by persons whose work assignment reasonably requires access to the data. No exceptions were found.

Minnesota Statutes, section 13.825, subdivision 7(b), requires written procedures to ensure that law enforcement personnel have access to BWC data that are not public "only if authorized in writing by the chief of police, sheriff, or head of the law enforcement agency, or their designee, to obtain access to the data for a legitimate, specified law enforcement purpose." The Department's BWC policy does not include the process to obtain written authorization for access to nonpublic portable recording system data by members of the Becker Police Department and members of other governmental entities and agencies. The Becker Police Department did not have written authorization for any members of the Department and members of other governmental entities and agencies to access nonpublic data.

A report was run on June 4, 2019, from Evidence.com for all BWC recordings shared among other agencies between October 9, 2017, and June 4, 2019. A sample of 14 videos was haphazardly selected and compared with the Audit Trail in Evidence.com to confirm that all data shared with other agencies was in compliance with Minn. Stat. § 13.825, subd. 8. No exceptions were found.

3. Procedure

Determine that the data collected by BWCs are appropriately classified.

### Findings

A report was run on June 4, 2019, from Evidence.com for all of the BWC data collected by the Becker Police Department between October 9, 2017, and June 4, 2019. All data was considered nonpublic, and no instances that would require the data to be classified as public according to Minn. Stat. § 13.825, subd. 2(a)(1), were found.

#### 4. Procedure

Determine that the data collected by BWCs are appropriately retained and destroyed in accordance with statutes.

### Findings

Minnesota Statutes, section 13.825, subdivision 3(a), requires BWC data that are not active or inactive criminal investigative data and not subject to Minn. Stat. § 13.825, subd. 3(b), must be maintained for at least 90 days and destroyed according to the City of Becker's General Records Retention Schedule.

A report was run on June 4, 2019, from Evidence.com for all of the BWC data deleted by the Becker Police Department between October 9, 2017, and June 4, 2019. A sample of 25 videos was haphazardly selected, and the time between the creation and deletion dates was compared to the City of Becker's General Records Retention Schedule and for compliance with Minn. Stat § 13.825, subd. 3. No exceptions were found.

#### 5. Procedure

Determine that a record is maintained and available to the public identifying the total number of devices owned or maintained; a daily record of the total number of recording devices actually deployed and used by officers; the policies and procedures for use of BWCs required by Minn. Stat § 626.8473; and the total amount of recorded audio and video data collected and maintained, the retention schedule, and the procedures for destruction of the data.

### Findings

Body worn camera data is available upon request, either in person or by submitting a request on the City of Becker's website. A report was run on June 11, 2019, from Evidence.com to show the total number of active BWC devices and to whom they were assigned. All officers are required to wear BWCs while on duty. The shift patrol logs were examined to identify the number of BWCs in use on June 6, 2019. The BWC policy was located on the Becker Police Department's webpage, although it was the superseded draft version. A summary report of all recorded audio and video data collected and maintained by the Department on June 6, 2019, was examined. No exceptions were found.

6. Procedure

Determine that records are maintained showing the date and time BWC data were collected and the applicable classification of the data.

Findings

A report was run on June 4, 2019, from Evidence.com for all of the BWC data collected by the Becker Police Department between October 9, 2017, and June 4, 2019. A sample of 25 videos was haphazardly selected and compared to the Audit Trail in Evidence.com to ensure that the data classification requirements were met. No exceptions were found.

7. Procedure

Determine that data stored by a vendor in the cloud protects the data in accordance with security requirements of the United States Federal Bureau of Investigation Criminal Justice Information Services (CJIS) Division Security Policy 5.4 or its successor version.

Findings

A Master Agreement between the City of Becker and Evidence.com included language that stated that Evidence.com was in compliance with the CJIS policy. Also, Axon has demonstrated compliance with this policy through a CJIS Whitepaper and has been independently validated by CJIS ACE, part of Diverse Computing, Inc. Diverse Computing, Inc., is a third-party law enforcement and criminal justice software company.

\* \* \* \* \*

We were not engaged to, and did not, conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Becker Police Department's compliance with Minn. Stat. §§ 13.825 and 626.8473 regarding BWCs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the City of Becker and is not intended to be, and should not be, used by anyone other than those specified parties.
