SEC. 2.03. REGULAR MEETINGS. Regular Meetings of the Council shall be held on the first and third Tuesdays of each month at a time established by resolution of the Council. In the event that any Regular Meeting falls on a legal holiday or during the time of an Election, then the meeting shall be held on an alternate date to be set by the Council. For purposes of this Chapter, the term "Election" shall include the hours between 6 p.m. and 8 p.m. on an election day within the boundaries of the City, after 6 p.m. on the day of a political party precinct caucus, or during any other time designated by Statute.

Special Meetings of the Council may be called by the Mayor or by any two other members of the Council by writing filed with the City Administrator or City Clerk stating the names and positions of the individual or individuals calling the meeting, the purpose of the meeting, the time and place of the meeting, and a request that the City Clerk give the Council members proper notice. Notice of a special meeting shall be given by the City Administrator or City Clerk to each member of the Council by mailing a copy of such filing to all members who did not sign or issue the call at least three (3) days prior to the time stated therein, or by personal service at least one (1) day prior to the meeting. Special Meetings may be held without prior written notice to the Council when all Council members are present at the meeting or consent thereto in writing. Any such consent shall be filed with the City Administrator or City Clerk prior to the beginning of the meeting. Any Special Meeting attended by all Council members, or attended by three Council members if all members not in attendance received proper written notice of the meeting, shall be a valid meeting for the transaction of any business that may come before the meeting. Notice for Special Meetings must be given to the public. The City Clerk shall post written notice of the date, time, place and purpose of the Special Meeting on the City's principal bulletin board. In addition, the City Clerk shall mail or deliver notice to each person who has filed with the City a written request for notice of Special Meetings. As an alternative to mailing said notice, the City Clerk may publish the notice once in a newspaper of general circulation. All posted, mailed, delivered or published notice shall be at least three (3) days before Special Meeting. *Source: Ordinance 48 2nd Series, Sept. 9, 2000*

With respect to notice to the public, the City Clerk shall make a good faith effort to provide notice of the Emergency Meeting, including its purpose, to each news medium which has filed a written request for notice. *Source: Ordinance 48 2nd Series, Sept. 9, 2000*

If the Council announces the date, time and place of the Adjourned Meeting at an open meeting and as a part of the official proceedings or Council minutes, no additional public notice shall be required for such Adjourned Meeting. If the Adjourned Meeting is not so announced, public notice shall be given for such Adjourned Meeting in the manner prescribed for Special Meetings, as set forth in Section 2.04 above.

Such request shall contain a general statement setting forth the administrative decision to be challenged by the appellant. At such hearing the appellant may present any evidence s/he deems

pertinent to the appeal, but the City shall not be required to keep a verbatim record of the proceedings. The Mayor, or other officer presiding at the hearing, may, in the interest of justice or to comply with time requirements and on the Mayor's motion or the motion of the appellant, the City Administrator or City Clerk, or a member of the Council, adjourn the hearing to a more convenient time or place, but such time or place shall be fixed and determined before adjournment so as to avoid the necessity for formal notice of reconvening. SEC. 2.60. DISPOSAL OF ABANDONED MOTOR VEHICLES, UNCLAIMED PROPERTY AND EXCESS PROPERTY.

Subd. 1. Disposal of Abandoned Motor Vehicles.

A. Definitions.

1. The term "abandoned motor vehicle" means a motor vehicle as defined in Minnesota Statutes, Chapter 169, that has remained for a period of more than forty-eight hours on public property illegally or lacking vital component parts, or has remained for a period of more than forty-eight hours on private property without the consent of the person in control of such property, or in an inoperable condition such that it has no substantial potential further use consistent with its usual function unless it is kept in an enclosed garage or storage building. It shall also mean a motor vehicle voluntarily surrendered by its owner to and accepted by the City. A classic car or pioneer car, as defined in section 158.10, is not considered an abandoned vehicle. *Source: Ordinance 61, 2nd, Series, Effective Date: August 27, 2001*
2. The notice shall be sent by mail to the registered owner, if any, of the abandoned motor vehicle and to all readily identifiable lien holders of record. If it is impossible to determine with reasonable certainty the identity and address of the registered owner and all lien holders, the notice shall be published once in the official newspaper. Published notices may be grouped together for convenience and economy.

B. Right to Reclaim.

1. The owner or any lien holder of an abandoned motor vehicle shall have a right to reclaim such vehicle from the City upon payment of all towing and storage charges resulting from taking the vehicle into custody within fifteen days after the date of the notice required by this Subdivision.
2. Nothing in this Subdivision shall be construed to impair any lien of a garage keeper under the laws of this State, or the right of the lien holder to foreclose. For the purposes of this Subparagraph E "garage keeper" is an operator of a parking place or establishment, an operator of a motor vehicle storage facility, or an operator of an establishment for the servicing, repair or maintenance of motor vehicles.

C. Public Sale.

1. An abandoned motor vehicle and contents taken into custody and not reclaimed under Subparagraph E of this Subdivision shall be sold to the highest bidder at public auction or sale, following one notice published at least seven days prior to such auction or sale. The purchaser shall be given a receipt in a form prescribed by the Registrar of Motor Vehicles which shall be sufficient title to dispose of the vehicle. The receipt shall also entitle the purchaser to register the vehicle and receive a certificate of title, free and clear of all liens and claims of ownership. Before such a vehicle is issued a new certificate of title, it must receive a motor vehicle safety check.
2. From the proceeds of the sale of an abandoned motor vehicle, the City shall reimburse itself for the cost of towing, preserving and storing the vehicle, and all administrative, notice and publication costs incurred pursuant to this Subdivision. Any remainder from the proceeds of a sale shall be held for the owner of the vehicle or entitled lien holder for ninety days and then shall be deposited in the General Fund of the City.

D. Contracts and Disposal.

1. The City may contract with any qualified person for collection, storage, incineration, volume reduction, transportation or other services necessary to prepare abandoned motor vehicles and other scrap metal for recycling or other methods of disposal.
2. Where the City enters into a contract with a person duly licensed by the Minnesota Pollution Control Agency, the Agency shall review the contract to determine whether it conforms to the Agency's plan for solid waste disposal. A contract that does so conform may be approved by the Agency. Where a contract has been approved, the Agency may reimburse the City for the costs incurred under the contract which have not been reimbursed.
3. If the City utilizes its own equipment and personnel for disposal of the abandoned motor vehicle, it shall be entitled to reimbursement for the cost thereof along with its other costs as herein provided.

Subd. 2. Disposal of Unclaimed Property.

- A. Definition.** The term "abandoned property" means tangible or intangible property that has lawfully come into the possession of the City in the course of municipal operations, remains unclaimed by the owner, and has been in the possession of the City for at least sixty days and has been declared such by a resolution of the Council.

Notice and Sale.** Upon adoption of a resolution declaring certain property to be abandoned property, the City Administrator shall publish a notice thereof describing the same, together with the names (if known) and addresses (if known) of prior owners and holders thereof, and including a brief description of such property. Sale shall be made to the highest bidder at public auction or sale conducted in the manner directed by the Council in its resolution declaring property abandoned and stated in the notice.

- D. Fund and Claims Thereon.** All proceeds from such sale shall be paid into the General Fund of the City and expenses thereof paid therefrom. The former owner, if s/he makes claim within eight months from the date of publication of the notice herein provided, and upon application and satisfactory proof of ownership, may be paid the amount of cash or negotiables or, in the case of property sold, the amount received therefore, less a pro rata share of the expenses of storage, publication of notice, and sale expenses, but without interest.
